

CIP Code Category List for Peer Review Data Update

Please select NO MORE THAN two major categories (those identified with whole number codes, such as 45 Social Sciences). Then, according to your expertise, choose NO MORE THAN three subcategories (e.g. 45.b Economics) under each of the major categories you have selected. Note that these major disciplinary codes align with those of the federal government's Classification of Instructional Programs (CIP), but the subcategories have been modified because of the particular needs for expertise on team visits.
